For Immediate Release

### **Rockwell Collins names Central Semiconductor the “Discrete Semiconductor Commodity Supplier of the Year 2007”**

**Hauppauge, NY USA – June 5, 2007 – Central Semiconductor Corp., Hauppauge, NY was named “Discrete Semiconductor Commodity Supplier of the Year 2007” by Rockwell Collins.** The award was presented by Chairman, President and CEO Clay Jones to Central Semiconductor’s Sales Manager Joseph Beck during the Annual Supplier Conference on April 18<sup>th</sup> in Cedar Rapids, IA.

The Supplier of the Year award is an acknowledgement of significant contributions made during the year by Rockwell’s suppliers and is based on total performance including, quality, delivery, and customer service.

Rockwell Collins is a pioneer in the development and deployment of innovative communications and aviation electronics solutions for both commercial and government applications. The company’s expertise in flight deck avionics, cabin electronics, mission communications, information management and simulation and training is strengthened by 17,000 employees and a global service and support network that crosses 27 countries.
