|---------------------------|------------------|
| <b>PDN ID:</b>            | PDN01276 Rev:002 |
| <b>Notification Date:</b> | 3/26/26          |
| <b>Last Buy Date:</b>     | Stock Only       |
| <b>Last Shipment Date</b> | Stock Only       |

<https://www.centrasemi.com>

Please be advised that Central Semiconductor must immediately discontinue the product(s) listed in the attached PDN notice. Orders can only be accepted for products with available inventory on hand.

You may have purchased one or more of the products listed. Please do not hesitate to contact your local Central Semiconductor sales representative with any questions or needs you may have. Central regrets any inconvenience this may cause.

Sincerely,

Central Semiconductor, LLC

---

DISCLAIMER: This End of Life (EOL) notification is in accordance with JEDEC standard JESD48 - Product Discontinuance. Central Semiconductor will make every effort to offer life-time buy (LTB) opportunities and/or offer replacement devices to existing customers for discontinued devices, however, one or both may not be possible for all devices. Please contact your local Central Semiconductor sales representative for LTB opportunities/additional information.

# Product End of Life Notification

|                           |                  |
|---------------------------|------------------|
| <b>PDN ID:</b>            | PDN01276 Rev:002 |
| <b>Notification Date:</b> | 3/26/26          |
| <b>Last Buy Date:</b>     | Stock Only       |
| <b>Last Shipment Date</b> | Stock Only       |

Summary: All devices manufactured in the SOT-523 package are discontinued and classified as End of Life (EOL). Rev.001 of PDN#01276, January 22,2026 issued to remove several part numbers from this PDN and re-activate in the system. See the details listed below in the PDN item section. Rev. 002, March 26, 2026, issued to remove part number CMUDM8004 from this PDN and re-activate it in the system. Please contact Semiconductor Customer Service Representative at 001.631.435.1110.

Although Central Semiconductor makes every effort to continue to produce devices that have been proclaimed EOL (End of Life) by other manufacturers, it is an accepted industry practice to discontinue certain devices when customer demand falls below a minimum level of sustainability. Accordingly, the following product(s) have been transitioned to End of Life status as part of Central's ongoing Product Portfolio Management. Any replacement products are noted below. The effective date for placing last purchase orders will be six (6) months from the date of this notice and twelve (12) months from the notice date for final shipments, and minimum order quantities may apply. The last purchase and shipment dates may be extended if inventory is available.

**\* All Plating types (PBFREE,TIN/LEAD) for each item listed are included in this notice.**
