

Product / Process Change Notice

Parts Affected:

CMJA5050 TR13

CMJA5050 TR

Extent of Change:

New standard 7" reel taping option; existing 13" reel taping option is changing to special order; and quantity per 13" reel is being increased from 5,000 to 10,000 devices.

Reason for Change:

In order to support customers' varied tape and reel equipment, an additional taping option is being added for the CMJA5050. Accordingly, the new standard tape & reel version will be CMJA5050 TR (7" reel) with 3,000 devices per reel (4mm component pitch). The CMJA5050 TR13 (13" reel) will continue to be offered, but now as special order. Additionally, the quantity per 13" reel will be increased from 5,000 devices (8mm component pitch) to 10,000 devices (4mm component pitch).

Effect of Change:

This change does not affect the fit, form or function of the devices. Note that the component pitch for CMJA5050 TR13 (13" inch reel) is changing from 8mm to 4mm.

Qualification:

No qualification required.

Effective Date of Change:

The new standard taping option (7" reel) is available immediately; existing inventory of the 13" reel option will be shipped until depleted.

Sample Availability:

Please contact your salesperson or manufacturer's representative for samples.
