

**PCN # 215**  
**Notification Date:**  
**June 1, 2021**

## Product / Process Change Notice

**Parts Affected:**

CPC14-SIC10-1200-CT

**Extent of Change:**

A new plating supply chain partner for the top metallization process has been qualified. In addition, the plating process has changed from a single zincation process to a double zincation process.

**Reason for Change:**

Improvement of manufacturability and visual criteria.

**Effect of Change:**

No change to the fit, form or function of the device.

**Qualification:**

No qualification is required for this change.

**Effective Date of Change:**

July 2021

**Sample Availability:**

Samples will be available approximately July 2021. If more detailed information is required, please contact your local Regional Sales Manager.

**PCN # 215**  
**Notification Date:**  
**June 1, 2021**

As per JEDEC standard JESD46, Customer Notification of Product/Process Changes by Solid-State Suppliers, a lack of acknowledgement of a PCN within thirty (30) days constitutes acceptance of the change.

The undersigned acknowledges and accepts Central Semiconductor's Product/Process Change Notification (PCN).
